Albert Hayden Dwyer, General Attorney

Dear Mr. Burton:

This is in reply to your letter of July 13 to Dr. Stanton, which elaborated on your telegram of July 5, requesting an opportunity under the Federal Communications Commission's fairness doctrine to reply to the CBS News broadcasts A CBS NEWS INQUIRY: "The Warren Report".

We have considered that letter, your correction letter of July 15, and your letter of July 20 to Mr. Brooks, and we again conclude that there is no basis for the charge that significant viewpoints on the controversial issues of substance were not given in the broadcasts.

Very truly yours,

Albert Hayden Dwyer
